82 (b) No person who provides testimony or information to a hearing
83 panel on any matter submitted to it shall, without a showing of malice,
84 be personally liable for any damages resulting from such testimony or

85 information.

86 (c) The manner in which a hearing panel and each member thereof
87 deliberates, decides and votes on any matter submitted to it, including
88 whether its final decision is unanimous or otherwise, shall not be
89 disclosed or made public by any person, except as provided in [said
90 sections] section 19a-17b and sections 38a-32 to 38a-36, inclusive, as

104 Sec. 6. Section 52-190a of the general statutes, as amended by section
105 14 of public act 03-202, is repealed and the following is substituted in
106 lieu thereof (*Effective from passage and applicable to actions filed on or after*
107 *said date*):

108 (a) No civil action shall be filed to recover damages resulting from
109 personal injury or wrongful death occurring on or after October 1,
110 1987, whether in tort or in contract, in which it is alleged that such
111 injury or death resulted from the negligence of a health care provider,
112 unless the attorney or party filing the action has made a reasonable
113 inquiry as permitted by the circumstances to determine that there are
114 grounds for a good faith belief that there has been negligence in the
115 care or treatment of the claimant. The complaint or initial pleading
116 shall contain a certificate of the attorney or party filing the action that

117 such reasonable inquiry gave rise to a good faith belief that grounds
118 exist for an action against each named defendant. [For the purposes of
119 this section, such good faith may be shown to exist if the claimant or
120 his attorney has received a written opinion, which shall not be subject
121 to discovery by any party except for questioning the validity of the
122 certificate,] To show the existence of such good faith, the claimant or
123 the claimant's attorney shall obtain a written and signed opinion of a
124 similar health care provider, as defined in section 52-184c, which
125 similar health care provider shall be selected pursuant to the
126 provisions of said section, that there appears to be evidence of medical
127 negligence and includes a detailed basis for the formation of such
128 opinion. Such written opinion shall not be subject to discovery by any
129 party except for questioning the validity of the certificate. The claimant
130 or the claimant's attorney shall retain the original written opinion and
131 shall attach a copy of such written opinion, with the name and
132 signature of the similar health care provider expunged, to such
133 certificate. In addition to such written opinion, the court may consider
134 other factors with regard to the existence of good faith. If the court
135 determines, after the completion of discovery, that such certificate was
136 not made in good faith and that no justiciable issue was presented
137 against a health care provider that fully cooperated in providing
138 informal discovery, the court upon motion or upon its own initiative
139 shall impose upon the person who signed such certificate or a
140 represented party, or both, an appropriate sanction which may include
141 an order to pay to the other party or parties the amount of the
142 reasonable expenses incurred because of the filing of the pleading,
143 motion or other paper, including a reasonable attorney's fee. The court
144 may also submit the matter to the appropriate authority for
145 disciplinary review of the attorney if the claimant's attorney submitted
146 the certificate.

147 (b) Upon petition to the clerk of the court where the action will be
148 filed, an automatic ninety-day extension of the statute of limitations
149 shall be granted to allow the reasonable inquiry required by subsection
150 (a) of this section. This period shall be in addition to other tolling

151 periods.

152 Sec. 7. Section 19a-17a of the general statutes is repealed and the
153 following is substituted in lieu thereof (*Effective from passage*):

154 (a) For purposes of this section, "terms of the award or settlement"
155 means the rights and obligations of the parties to a medical malpractice
156 claim, as determined by a court or by agreement of the parties, and
157 shall include, but not be limited to, (1) for any individual licensed
158 pursuant to chapter 370 to 373, inclusive, 379 or 383 who is a party to
159 the claim, the type of healing art or other health care practice, and the
160 specialty, if any, in which such individual engages, (2) the amount of
161 the award or settlement, specifying the portion of the award or
162 settlement attributable to economic damages and the portion of the
163 award or settlement attributable to noneconomic damages, and (3) if
164 there are multiple defendants, the allocation for payment of the award
165 between or among such defendants.

166 (b) Upon the filing of any medical malpractice claim against an
167 individual licensed pursuant to chapter 370 to 373, inclusive, 379 or
168 383, the plaintiff shall mail a copy of the complaint to the Department
169 of Public Health.

170 (c) Upon entry of any medical malpractice award by any court or
171 upon the parties entering a settlement of a malpractice claim against an
172 individual licensed pursuant to chapter 370 to 373, inclusive, 379 or
173 383, the entity making payment on behalf of a party or, if no such
174 entity exists, the party, shall [notify] provide to the Department of
175 Public Health [of the terms of the award or settlement and shall
176 provide to the department] and the Insurance Department a copy of
177 the award or settlement and the underlying complaint and answer, if
178 any. Such copies provided to the Insurance Department shall not
179 identify the parties to the claim. The Department of Public Health shall
180 send the information received from such entity or party to the state
181 board of examiners having cognizance over any individual licensed
182 pursuant to chapter 370 to 373, inclusive, 379 or 383 who is a party to

183 the claim. The [department] Department of Public Health shall review
184 all medical malpractice claims and awards and all settlements to
185 determine whether further investigation or disciplinary action against
186 the providers involved is warranted. On and after July 1, 2004, such
187 review shall be conducted in accordance with guidelines adopted by
188 the Department of Public Health, in accordance with the provisions of
189 section 20-13b, as amended by this act, to determine the basis for such
190 further investigation or disciplinary action. Any document received
191 pursuant to this section shall not be considered a petition and shall not
192 be subject to the provisions of section 1-210, as amended, unless the
193 [department] Department of Public Health determines, following
194 completion of its review, that further investigation or disciplinary
195 action is warranted.

196 (d) No release of liability executed by a party to which payment is to
197 be made under a settlement of a malpractice claim against an
198 individual licensed pursuant to chapter 370 to 373, inclusive, 379 or
199 383 shall be effective until the attorney for the entity making payment
200 on behalf of a party or, if no such entity exists, the attorney for the
201 party, files with the court an affidavit stating that such attorney has
202 provided the information required under subsection (c) of this section
203 to the Department of Public Health and the Insurance Department.

204 (e) The Commissioner of Public Health and the Insurance
205 Commissioner shall develop systems within their respective agencies
206 for collecting, storing, utilizing, interpreting, reporting and providing
207 public access to the information received under subsections (b) and (c)
208 of this section. Each commissioner shall report the details of such
209 systems within its agency to the joint standing committees of the
210 General Assembly having cognizance of matters relating to public
211 health and insurance on or before July 1, 2004, in accordance with
212 section 11-4a.

213 Sec. 8. Section 20-13b of the general statutes is repealed and the
214 following is substituted in lieu thereof (*Effective from passage*):

216 from the board, may establish such regulations in accordance with
217 chapter 54 as may be necessary to carry out the provisions of sections
218 20-13a to 20-13i, inclusive, as amended by this act. On or before July 1,
219 2004, such regulations shall include, but need not be limited to: (1)
220 Guidelines for screening complaints received to determine which
221 complaints will be investigated; (2) a prioritization system for conduct
222 of investigations to ensure prompt action when it appears necessary;
223 and (3) guidelines to determine when an investigation should be
224 broadened beyond the initial complaint to include sampling patient
225 records to identify patterns of care, reviewing office practices and
226 procedures, reviewing performance and discharge data from hospitals
227 and managed care organizations and additional interviews of patients

282 child is a physician, as defined in section 20-13a, or a physician

283 assistant, as defined in section 20-12a, shall be appointed to the list as a
284 member of the public. Each person appointed to the list shall serve
285 without compensation at the pleasure of the commissioner.

286 (d) The office of the board shall be in Hartford, in facilities to be

323 of whom shall be a member of the board and one a member of the

329 proposed final decision with the board within one hundred twenty
330 days of the receipt of the issuance of the notice of hearing by the board.
331 The time period for filing such proposed final decision with the board
332 may be extended for good cause by the board in a duly recorded vote.
333 If the panel has not conducted a hearing within sixty days of the date
334 of referral of the statement of charges by the board, such hearing shall
335 be conducted by the commissioner, in accordance with the provisions
336 of chapter 54, and the regulations established by the commissioner
337 concerning contested cases. The commissioner shall file a proposed
338 final decision with the board not later than sixty days after such
339 hearing. The time period for filing such proposed final decision with

341 recorded vote.

342 (3) The board shall refer all findings of no probable cause filed with
343 the board by the department pursuant to section 20-13e, as amended
344 by this act, to a medical hearing panel within sixty days of the receipt

346 board in a duly recorded vote. The panel shall review the petition and
347 the entire record of the investigation and may request the department
348 for more information or for a reconsideration of such finding. If the

349 panel takes no action within ninety days of the submission to the

351 shall be considered final.

352 (4) For purposes of this section, a medical hearing panel shall consist

360 evidence. The board shall act on the proposed final decision within
361 ninety days of the filing of said decision by the panel. This time period
362 may be extended by the board for good cause in a duly recorded vote.

363 (i) Except in a case in which a license has been summarily
364 suspended, pursuant to subsection (c) of section 19a-17 or subsection
365 (c) of section 4-182, all three panel members shall be present to hear
366 any evidence and vote on a proposed final decision. The chairperson of

416 copy of such protocols and a report on their implementation.

428 and to stipulate to a judgment for a sum certain. The plaintiff shall give
429 notice of the offer of settlement to the defendant's attorney or, if the

434 the court for good cause shown, and prior to the rendering of a verdict
435 by the jury or an award by the court, the defendant or the defendant's
436 attorney may file with the clerk of the court a written "acceptance of
437 offer of judgment" agreeing to a stipulation for judgment as contained
438 in plaintiff's "offer of judgment". Upon such filing, the clerk shall enter
439 judgment immediately on the stipulation. If the "offer of judgment" is
440 not accepted within [sixty days] the sixty-day period or any extension
441 thereof, and prior to the rendering of a verdict by the jury or an award

447 whether the plaintiff made an "offer of judgment" which the defendant
448 failed to accept. If the court ascertains from the record that the plaintiff
449 has recovered an amount equal to or greater than the sum certain
450 stated in the plaintiff's "offer of judgment", the court shall add to the
451 amount so recovered twelve per cent annual interest on said amount,

459 week preceding the beginning of each year for which interest is owed,
460 with respect to an offer of judgment filed on or after the effective date
461 of this section. The interest shall be computed from the date the
462 complaint in the civil action was filed with the court if the "offer of
463 judgment" was filed not later than eighteen months from the filing of
464 such complaint. If such offer was filed later than eighteen months from
465 the date of filing of the complaint, the interest shall be computed from
466 the date the "offer of judgment" was filed. The court may award
467 reasonable attorney's fees in an amount not to exceed three hundred
468 fifty dollars, and shall render judgment accordingly. This section shall
469 not be interpreted to abrogate the contractual rights of any party
470 concerning the recovery of attorney's fees in accordance with the
471 provisions of any written contract between the parties to the action.

586 insurer maintaining membership or subscribership in such
587 organization, to the extent that the insurer uses the manuals,
588 minimums, class rates, rating plans, rating schedules, rating systems,
589 policy or bond forms of such organization. The information shall be
590 open to public inspection after its submission.

591 (b) (1) Each filing as described in subsection (a) of this section for
592 workers' compensation or employers' liability insurance shall be on file
593 with the Insurance Commissioner for a waiting period of thirty days
594 before it becomes effective, which period may be extended by the
595 commissioner for an additional period not to exceed thirty days if the
596 commissioner gives written notice within such waiting period to the
597 insurer or rating organization which made the filing that the
598 commissioner needs such additional time for the consideration of such
599 filing. Upon written application by such insurer or rating organization,
600 the commissioner may authorize a filing which the commissioner has
601 reviewed to become effective before the expiration of the waiting
602 period or any extension thereof. A filing shall be deemed to meet the
603 requirements of sections 38a-663 to 38a-696, inclusive, unless
604 disapproved by the commissioner within the waiting period or any
605 extension thereof. If, within the waiting period or any extension
606 thereof, the commissioner finds that a filing does not meet the
607 requirements of said sections, the commissioner shall send to the
608 insurer or rating organization which made such filing written notice of
609 disapproval of such filing, specifying therein in what respects the
610 commissioner finds such filing fails to meet the requirements of said

618 date of this section, each insurer or rating organization seeking to
619 change its rates for such insurance shall (A) file a request for such
620 change with the Insurance Department, and (B) provide written notice
621 to its insureds with respect to any request for an increase in rates. Such
622 request shall be filed and such notice, if applicable, shall be sent at
623 least sixty days prior to the proposed effective date of the change. The
624 notice to insureds of a request for an increase in rates shall indicate
625 that a public hearing shall be held in accordance with this section. The
626 Insurance Department shall review the request and, with respect to a
627 request for an increase in rates, shall hold a public hearing on such
628 increase prior to approving or denying the request. The Insurance
629 Commissioner shall approve or deny the request within forty-five days
630 of its receipt. Such finding of the commissioner shall be subject to

636 filed with the Insurance Commissioner prior to its issuance. The
637 commissioner shall adopt regulations₂ in accordance with the
638 provisions of chapter 54₂ establishing a procedure for review of such

643 reasons for disapproval. The provisions of section 38a-19 shall apply to
644 any such order issued by the commissioner.

645 Sec. 20. (NEW) (*Effective October 1, 2004*) (a) On and after October 1,
646 2004, no captive insurer, as defined in section 38a-91 of the general
647 statutes, may insure a health care provider or entity in this state
648 against liability for medical malpractice unless the captive insurer has
649 obtained a certificate of authority from the Insurance Commissioner,
650 except that no certificate of authority shall be required for any captive
651 insurer that is duly licensed in this state to offer such insurance.

652 (b) Any captive insurer seeking to obtain a certificate of authority
653 shall make application to the commissioner, on such form as the
654 commissioner requires, setting forth the line or lines of business which
655 it is seeking authorization to write. The captive insurer shall file with
656 the commissioner a certified copy of its charter or articles of
657 association and evidence satisfactory to the commissioner that it has
658 complied with the laws of the jurisdiction under which it is organized,
659 a statement of its financial condition in such form as is required by the
660 commissioner, together with such evidence of its correctness as the
661 commissioner requires and evidence of good management in such
662 form as is required by the commissioner. The captive insurer shall
663 submit evidence of its ability to provide continuous and timely claims
664 settlement. If the information furnished is satisfactory to the
665 commissioner, and if all other requirements of law have been complied
666 with, the commissioner may issue to such insurer a certificate of
667 authority permitting it to do business in this state. Each such certificate
668 of authority shall expire on the first day of May succeeding the date of
669 its issuance, but may be renewed without any formalities except as
670 required by the commissioner. Failure of a captive insurer to exercise
671 its authority to write a particular line or lines of business in this state
672 for two consecutive calendar years may constitute sufficient cause for
673 revocation of the captive insurer's authority to write those lines of
674 business.

675 (c) The commissioner shall adopt regulations, in accordance with
676 chapter 54 of the general statutes, specifying the information and
677 evidence that a captive insurer seeking to obtain or renew a certificate
678 of authority shall submit and the requirements with which it shall

679 comply.

680 (d) The commissioner may, at any time, for cause, suspend, revoke
681 or refuse to renew any such certificate of authority or in lieu of or in
682 addition to suspension or revocation of such certificate of authority the
683 commissioner, after reasonable notice to and hearing of any holder of
684 such certificate of authority, may impose a fine not to exceed ten
685 thousand dollars. Such hearings may be held by the commissioner or
686 any person designated by the commissioner. Whenever a person other
687 than the commissioner acts as the hearing officer, the person shall
688 submit to the commissioner a memorandum of findings and
689 recommendations upon which the commissioner may base a decision.
690 The commissioner may, if the commissioner deems it in the interest of
691 the public, publish in one or more newspapers of the state a statement
692 that, under the provisions of this section, the commissioner has
693 suspended or revoked the certificate of authority of any captive insurer
694 to do business in this state.

695 (e) Each application for a certificate of authority shall be
696 accompanied by a nonrefundable fee as set forth in section 38a-11 of
697 the general statutes, as amended by this act. All expenses incurred by
698 the commissioner in connection with proceedings under this section
699 shall be paid by the person filing the application.

700 (f) Any captive insurer aggrieved by the action of the commissioner
701 in revoking, suspending or refusing to renew a certificate of authority
702 or in imposing a fine may appeal therefrom, in accordance with the
703 provisions of section 4-183 of the general statutes, except venue for
704 such appeal shall be in the judicial district of New Britain. Appeals
705 under this section shall be privileged in respect to the order of trial
706 assignment.

707 Sec. 21. Subsection (a) of section 38a-11 of the general statutes, as
708 amended by section 10 of public act 03-152 and section 9 of public act
709 03-169, is repealed and the following is substituted in lieu thereof

816 docket in a judicial district and court location determined by the Chief
817 Court Administrator or such designee.

818 Sec. 23. Section 52-251c of the general statutes is repealed and the
819 following is substituted in lieu thereof (*Effective from passage*):

820 (a) In any claim or civil action to recover damages resulting from
821 personal injury, wrongful death or damage to property occurring on or
822 after October 1, 1987, the attorney and the claimant may provide by
823 contract, which contract shall comply with all applicable provisions of
824 the rules of professional conduct governing attorneys adopted by the
825 judges of the Superior Court, that the fee for the attorney shall be paid
826 contingent upon, and as a percentage of: (1) Damages awarded and
827 received by the claimant; or (2) settlement amount pursuant to a
828 settlement agreement.

829 (b) In any such contingency fee arrangement such fee shall be the
830 exclusive method for payment of the attorney by the claimant and
831 shall not exceed an amount equal to a percentage of the damages
832 awarded and received by the claimant or of the settlement amount
833 received by the claimant as follows: (1) Thirty-three and one-third per

842 of this section, such arrangement shall not be valid unless the
843 claimant's attorney files an application with the court for approval of
844 such arrangement and the court, after a hearing, grants such
845 application. The claimant's attorney shall attach to such application a
846 copy of such fee arrangement and the proposed unsigned writ,

847 summons and complaint in the case. The court shall grant such
848 application if it finds that the case is sufficiently complex, unique or
849 different from other medical malpractice cases so as to warrant a
850 deviation from such percentage limitations. At such hearing, the
851 claimant's attorney shall have the burden of showing that such
852 deviation is warranted. If the court does not grant such application, it
